

Fairway Golf League

The Fairway Golf League welcomes you to the 2020/2021 Fairway Golf Season!

Our season will officially begin October 19th and run until mid-May. We will play on Mondays and Wednesdays with the first tee time starting at approximately 10:00 and on Saturdays starting at approximately 9:30. As a reminder you must sign up in the pro shop no later than 24 hours prior to the first tee time in order to play on any given day. The pairings and results can be found on the sunland Springsgolf.com website.

For those new to the league and those considering joining, we play using only shared carts and assigned tee times. The shared cart requirement is waived during the pandemic. You are welcome to play as often or as little as your schedule allows. The computer-generated tee time assignments help to ensure that you will have an opportunity to play with different members of the league regularly.

In addition to the regular green fee the cost to play remains at \$3 and an optional skins pot (\$5 Cash) on most days. Play remains based on net score with the handicaps generated by our Pro Shop. The skins game is also handicap based. Depending on the number of individuals the play will be broken into multiple flights, based on those handicaps.

This year our optional hole-in-one pot will be a one-time buy in of \$20, with a set payout of \$300.

This year we are tentatively looking at Home and Away events with other east valley golf clubs. As those events develop more information will be forthcoming.

Our fall luncheon has been set for Tuesday December 8th and our spring Banquet has been set for Thursday March 4th! Please be sure and mark those dates as these events are included in your \$50 annual dues.

Our annual league match play championship looks to begin in February, and we hope will wrap up by crowning a league champ during the Spring banquet.

In general, our play is governed by the Current Rules of Golf of the USGA, the local SSV Golf Club Rules, and the Fairway Golf League Rules. See the below listed highlights of the rules.

Thanks for being a member of the Fairway Golf League and have a great season!!
