Re: Rules of Play and Golf Privilege Suspensions

Rules of Play:

SSGC implemented the “Rules of Play” for all golfers to help ensure that all golfers would be able to continue to enjoy playing golf at SSGC. The 7 simple “Rules of Play” are posted in the Pro Shop and on the rental golf carts for your review. The rules are designed to make sure the golf course does not sustain damage from continued play and golf cart misuse on the golf course. The “Rules of Play” are as follows:

1. Observe 90-degree rule unless noted.
2. Please keep the carts on the cart path around the tees and around the greens.
3. Please fix your ball marks and replace your divots.
4. Please keep your carts out of the granite areas.
5. Granite areas are considered non playable areas and free relief is recommended.
6. Play ready golf.
7. Have fun.

Chronic “Rules of Play” Violators:

If a Member, Resident or Public Golfer is continuously disregarding the “Rules of Play” and is warned about those violations by the SSGC staff, all golf privileges will be suspended after two warnings of those violations. The suspension will depend on the nature of the violation(s) and will be at the sole discretion of the SSGC General Manager.

Immediate Suspension of Golfing Privileges:

An immediate suspension of all golfing privileges for Members, Residents or Public golfers will be implemented with the following violations:

- i) Start playing golf without prior check in with the Pro Shop;
- ii) Use practice balls on the practice range that are not dispensed at SSGC;
- iii) Picks up practice balls off the practice range and
- iv) Any other major violation(s) in the sole discretion of the SSGC General Manager.

An immediate suspension of golfing privileges will require the approval of the Board of Directors before the immediate suspension can be lifted.
