

SSV Men's Club 18 Hole Golf League – General Information

Welcome to the SSV Men's Golf League:

The League is open to all men who are property owners or residents of Sunland Springs Village.

We play 18 holes on Monday and Wednesday of each week. Shotgun starts are 7:00 AM during summer play and 8:00 AM during fall/winter/spring play. Most league play is handicapped stroke play, but various games (2-man best ball, 4 man scramble, etc.) are usually played on the first and fourth week of each month. "In-flight" groupings are scheduled once a month.

Players sign up each week for the following week's play. The signup sheets are posted in the Pro Shop.

Pairings for each days play are posted on the Sunland Springs Golf Club web site www.sunlandspringsgolf.com . Click on "The Club Rewards" on the opening screen and then on SSGC Associations. As you scroll down you will see the individual leagues identified. Results of play are also posted to the web site.

Handicaps are calculated following each month's play and are posted on line and in the Pro Shop. In order to establish a handicap, new Members must submit a minimum of three 18-hole scores from Men's League play at Sunland Springs. Thirty (30) shall be the maximum allowable handicap. Equitable Stroke Control (a high score on any one hole is limited) is used in calculating handicaps. Once a handicap has been established, only scores recorded during sanctioned league play at SSV Golf Club will be used to maintain the handicap. Contact the Pro Shop if you are playing outside SSV and need a handicap card.

Players pay a \$3.00 entry fee at check in before each day's play. Entry fees are returned in the form of Pro Shop "chits" to the top golfers in each of the several flights for each day of League play. Pro Shop "chits" may be used in the Pro Shop, Grille, or Driving Range by Members of the SSV Golf Club. Those players who are not members of the Sunland Springs Golf Club may use their chits only in the Pro Shop. During the handicap establishment period, new members are not eligible for flight prize "chits", but their entry fee will be refunded to them in the form of "chits" to their Pro Shop account.

"Dollar Days" will be held occasionally during the 1st and 4th quarter of the year. Cash prizes will be given to winners of various events such as longest putt, closest to the pin, etc.

The Club has two optional major tournaments each year; a match play tournament in February and a net and gross play Championship in March. Entry fee for the Net Play Tournament is included in Player dues. Entry fee for Match Play is \$5.00. Players in both tournaments also pay the customary \$3:00 daily "Chit" fee.

Two “Hole in 1” contests are run each year. The Fall/Winter contest runs from our annual meeting in November until our annual meeting in March. The \$1.00 Entry fee is included in your League Membership Fee and the “pot” is divided among all those who score a “hole in 1” during this time period. A summer contest is run from the day after our spring meeting to the day before our fall meeting. A \$1.00 entry fee is required to enter this contest and the “pot” is split among those with a “hole in one” during summer play. Note: The “hole in 1” must be scored during Men’s league play.
